Cancellation Policy

If the candidate cancels an appearance for the examination after these dates or does not appear for the examination, the entire application-examination fee is forfeited, with the following exception:

1. Personal illness at the time of the examination, validated by the candidate's personal physician. Documentation must be received in the ABP office within 60 days of the date of the examination. In this case, consideration will be given to transferring a major portion of the examination fee to the following examination.

It is the candidate's responsibility to notify the ABP in writing of any change that may affect a scheduled examination.

A candidate for the Spring primary examinations who wishes to apply for a subspecialty examination in the same year may submit the subspecialty application prior to the May 15 deadline. If the candidate is successful in the primary examination, the ABP will process the application for the subspecialty examination. If the candidate is not successful, he/she will be notified and the subspecialty examination fee will be refunded.
