Revised 1/25/12

## SAMs Availability

Self-Assessment Modules (SAMs) are a specific form of Category 1 CME required by the American Board of Pathology (ABP) as part of its MOC program. These modules must meet requirements as defined in the MOC SAMs Provider Information and Agreement available on this web site. These activities may be used for Category 1 CME credit to meet CME requirements for licensure and educational requirements of other organizations.

The following CME providers have been approved by the ABP as providers of SAMs. Please check with these organizations to determine what SAMs are offered and when they are available.
