FROM: Edward R. Ashwood, MD, Secretary
Chair, Nominating Committee

RE: Nominations for American Board of Pathology Trustees for 2021

The American Board of Pathology (ABPath) is soliciting nominees to fill a Trustee position, effective January 1, 2021. A nominee with expertise in Blood Banking/Transfusion Medicine is being sought. Self-nominations are encouraged.

Outstanding nominees will be considered based on their expertise, scholarship, leadership, educational experience, organizational compatibility, and knowledge of and commitment to the certification process, continuing certification, and graduate medical education. The ABPath strives for diversity, a balance of academic versus private practice Trustees, and an even geographical distribution. Nominees should be in active practice and must be certified by the ABPath and reside in the United States. They must be willing to devote substantial time and effort over the potential 12-year tenure. Trustees of the ABPath may also be appointed to the ACGME Review Committee for Pathology or to an ABMS Committee.

Please submit your nominations (and they can be multiple) along with a current curriculum vitae of the nominee(s), to Dr. Edward R. Ashwood, Secretary of the American Board of Pathology, in care of the ABPath office. Self-nominees should submit a letter of support from a pathology society and/or another pathologist. Electronic submission is preferred to: COO@abpath.org. All nominations should be submitted no later than March 16, 2020.

Thank you for your assistance. If there are any questions, please contact Dr. Rebecca Johnson, Chief Executive Officer at rljohnson@abpath.org.
