ABPath Candidate Rules Agreement

Please review and sign the following test rules agreement. Contact the TA if you have any questions. The term TA will be used in this document to mean test administrator, invigilator, and proctor.

1. **No** personal items, including but not limited to mobile phones, hand-held computers/personal digital assistants (PDAs) or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats (and other non-religious head coverings), bags, coats, jackets, eyeglass cases, pens, or pencils, are allowed in the testing room. **No** barrettes or hair clips that are larger than 1/4 inch (1/2 centimeter) wide and headbands or hairbands that are larger than 1/2 inch (1 centimeter) wide are allowed in the testing room. **No** jewelry that is removable and larger than 1/4 inch (1/2 centimeter) wide is allowed in the testing room. **No** books and/or notes are allowed in the testing room. You must store all personal items in a secure area (a locker) as indicated by the TA or return them to your vehicle. If you refuse to store your personal items, you will be unable to test, and you will lose your test fee. All electronic devices must be turned off before storing them in a secure area (such as a locker).

2. You will be asked to empty your pockets for the purpose of allowing the TA to verify that nothing is in them. If you have hair that covers your ears, you may be asked to show them for the purpose of allowing the TA to verify that no Bluetooth devices are present. The TA may also ask you to roll up your sleeves to verify that you have no writing on your arms. Before you enter the testing room, you will be asked to pat yourself down (for example: arms, legs, and waistline) to show there is nothing hidden on your body. The test center is not responsible for lost, stolen, or misplaced personal items. **Visitors, children, spouses, family, or friends ARE NOT allowed in the test center.**

3. Before you enter the testing room, the TA will collect your digital photograph, digital signature, and verify your forms of identification. This is done to verify your identity and protect the security and integrity of the test. You understand that if there are discrepancies during the check-in process you may be prohibited from entering the testing room, you may not be allowed to reschedule your test appointment, and you may forfeit your test application fee. The identification requirements used during the check-in process are defined by the test sponsor, and the TA has no flexibility to add, delete, or alter this process. Upon entering and being seated in the testing room, the TA will provide you with those materials authorized by the test program sponsor for your use during the test to make notes or calculations on, and you will be provided any other material as specified by the test program sponsor. **You may not remove any of these materials from the testing room or begin writing on your noteboard until your test has been started.** If you need new or additional materials during the test, you must raise your hand. You must return all items and materials to the TA immediately following the test.

4. The TA will log you into your assigned workstation. You will verify that you are taking the intended test that you registered to take. Unless otherwise instructed, you must remain in your assigned seat until escorted out of the testing room by a TA.

5. Once you have entered the testing room, you may not communicate with other candidates. Any disruptive, threatening, or fraudulent behavior in the testing room may be grounds for terminating your test, invalidating your test results, or disqualifying you from taking the test at a future date.

6. You understand that eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the test.

7. To ensure a high level of security throughout the testing experience, you will be monitored at all times. Both audio and video may be recorded.

8. The ABPath Honor Code, which contains confidentiality requirements, will be presented to you before the test begins. You must read, acknowledge, and agree to the terms and conditions of such document within the specified time limit in order to begin your test. Should you not agree, you will not be permitted to proceed with taking the test and you may forfeit your test fee.
9. Break policies are established by the test program sponsor. Your test includes scheduled breaks. When it is time for the scheduled break to occur, instructions will appear on the computer screen. The TA will set your workstation to the break mode, and you must take your ID with you when you leave the room. The TA will check your ID before escorting you back to your seat and will then resume your test. You must leave the testing room for all breaks that you choose to take.

10. You may only access personal items from a test center locked storage or leave the test center building during scheduled breaks. A scheduled break is provided between all exam sections when an exam section has been completed and the break screen is displayed.

11. During unscheduled breaks you are not authorized to access personal items (with the exception of comfort aids, medication, and food) or leave the test center building. An unscheduled break is taken during an active exam section when exam questions are displayed, and the section timer is counting down. If you take an unscheduled break, the section timer will continue to count down.

12. You must follow all of the appropriate check-in and check-out processes. This includes the need to show identification when leaving and re-entering the testing room. Before re-entering, you will be asked to pat yourself down again (for example: arms, legs, and waistline) to show there is nothing hidden on your body. Unless otherwise instructed, the TA will escort you to your assigned workstation and resume the test for you so that you may continue with your test.

13. If you experience any problems or distractions or if you have other questions or concerns, you must raise your hand, and the TA will assist you. The TA cannot answer questions related to test content. If you have concerns about a test question or image, make a note of the item (question) number, if available, in order for the item to be reviewed.

14. After you finish the test, you may be asked to complete an optional on-screen evaluation.

15. Unless otherwise instructed, after you have completed the test you must raise your hand, and the TA will come to your workstation and verify that your test session has ended properly. The computer screen will confirm that you have completed your exam and provide information on when you can expect your exam results. To receive the printout with the information provided, you must present your ID again to the TA and return any and all materials supplied to you prior to the beginning of your test. You must not leave any materials at your testing workstation after you have completed your test.

16. You may not remove copies of test questions or test answers from the testing center, and you may not share or discuss with anyone all or any of the test questions or test answers you saw or viewed during the taking of the test. If you do not abide by these rules, if you tamper with the computer, or if you are suspected of cheating, appropriate action will be taken, including the possibility of the test program sponsor taking action against you.
